DIARY NOTES

25X1A

DD/S [REDACTED]

19 October 1962

1. Johnny Bross telephoned about the manpower letter which we received from the President. I suggested that we probably had a head start on the Bureau of the Budget with this exercise as a result of our manpower survey just completed. I also suggested that Johnny take this up at the Executive Committee Meeting.

2. I approved of entering two employees on duty [REDACTED] at the seventh step of grade GS-13. One is a Navy officer, the other is a Marine. They are both resigning their commissions in order to accept civilian employment with CIA.

3. [REDACTED] called me about a cable in from [REDACTED] inquiring as to whether we might wish to purchase a house for the Chief of Station at a cost of \$100,000. Inasmuch as [REDACTED] house is still available for rental at a reasonable cost (\$4200 per annum), I told Fred that I thought we should instruct the new Chief of Station to extend or renew the lease on [REDACTED] house.

4. I talked with [REDACTED] about the John [REDACTED] case. I agreed that [REDACTED] could either be extended on duty for not to exceed ninety days, in which case he would forfeit all rights to separation compensation under our surplus personnel procedures, or he could be terminated under these procedures and accept maximum separation compensation. I instructed [REDACTED] to ensure that John fully understands these alternatives before submitting a recommendation to General Carter.
